

## **HITRUST r2 Certification Press Release**

### **Quality Health Partners Inc., Achieves HITRUST r2 Certification Demonstrating the Highest Level of Information Protection Assurance**

HITRUST r2 Certification validates Quality Health Partners Inc. is committed to strong cybersecurity and protecting sensitive data.

Las Vegas, NV, 07/17/2024 – Quality Health Partners Inc. a leading provider of Annual Health Assessments and various screenings for Medical Groups, Health Plans, and Primary care Physicians, today announced its Annual Health Assessments residing at the Microsoft Azure (Data Center) has earned certified status by HITRUST for information security.

HITRUST r2 Certification demonstrates that the organization’s Annual Health Assessments residing at Microsoft Azure (Data Center) has met demanding regulatory compliance and industry-defined requirements and is appropriately managing risk. This achievement places Quality Health Partners, Inc. in an elite group of organizations worldwide that have earned this certification. By including federal and state regulations, standards, and frameworks and incorporating a risk-based approach, the HITRUST Assurance Program helps organizations address security and data protection challenges through a comprehensive and flexible framework of prescriptive and scalable security controls.

“HITRUST certification is globally recognized as validation that information security and privacy controls are effective and compliant with various regulations. HITRUST certification is considered the gold standard because of the comprehensiveness and applicability of the control requirements, depth of the assurance process, and level of oversight that ensures accuracy,” said Jeremy Huval, Chief Innovation Officer at HITRUST.

“Achieving HITRUST r2 Certification is a significant accomplishment that reflects our strong commitment to data protection and information security. This certification helps assure our clients that their sensitive information is handled with the utmost care and precision,” said Gaston Alvarez, Chief Executive Officer at Quality Health Partners Inc.

#### **About Quality Health Partners Inc.**

Quality Health Partners supports Medical Groups, Health Plans, and Primary Care Physicians to achieve 5-star quality ratings. Our Clinical Quality Teams complete various types of Wellness Visits and screenings in provider practices, in patient’s homes, and via telehealth. We take care of the coding, documentation, and administrative functions necessary to close quality gaps in care and capture HCCs for Medicare, Medicaid, and Commercial lines of business.
